(1) Government Order No. G. 4450-89—G. M. 235-06-1, dated the 18th January 1907, prescribing provisional rules for regulating the discussions at the Representative Assembly.

(2) Letter No. 136, dated 5th September 1907, from the Deputy Commissioner, Mysore District:—

"I have the honor to submit herewith * * * * * a copy of the Proceedings of the District Preliminary Meeting held on the 18th and 19th August 1907."

(ENCLOSURE.)

Proceedings of the Preliminary District Meeting of the Dasara Representative Assembly Members of the Mysore District, held at Mysore on 18th and 19th August 1907.

The first District Meeting of the Assembly Members, in accordance with the rules for regulating the discussions at the Representative Assembly, issued with the Government Order No. G. 4450-89—G. M. 235-06-1 of the 18th January 1907, was held on the 18th August 1907, and continued on the following day also. As per para 2 of the Government Order quoted above, the Deputy Commissioner presided at the meeting.

2. The number of representatives returned by the several electorates was as follows:—

(1) Thirteen Taluks ...	...	...	37
(2) Seven Municipalities	...	...	10
(3) One District Board	...	...	2
(4) One Association	...	...	1
		Total ...	50

This is the second year of the triennium for which the Taluk Members have been elected. Consequently, the three vacancies that occurred among them, owing to the death of two and the acceptance of Government service by a third, could not be filled up during the period as per Government Order No. 1886—Mis. F. 2-96 of the 5th August 1896. Of the remaining 47, 37 attended throughout the meeting.

The presence of the Assistant Commissioners and the Amildars in the district, who attended the District Board Meeting held on the previous day, was also secured to facilitate the discussion of the several subjects that had been sent up by the Representative Assembly Members. The Executive Engineer of the Mysore Division, the Vice-President of the Mysore City Municipal Council, the District Excise and Forest Officers, and the District and the Assistant Superintendents of Police were also present as requested. The following list exhibits the names of members and officers present on the occasion.

3. The date on which the meeting was to be held was previously intimated to the several members of the Assembly. The day was so selected as to immediately follow the one fixed for the District Board Meeting, so as to secure the presence of the Assistant Commissioners and the Amildars, whose opinions on several local subjects were found to be of great use in the discussion.

4. The number of subjects sent up by the several members previous to the date of meeting was 310 and that as per supplemental list was 2; out of these subjects, 12 were withdrawn by the members themselves after discussion; 70 were omitted as final orders had been passed by Government and were not supported by a majority of the members for inclusion in the list, and 77 were referred for disposal to the District and Municipal Boards and local officers, such as District Forest Officer, Executive Engineer and Assistant Commissioners. The remaining subjects numbering 153 have been sent up to Government. In the list now submitted, a few of the subjects on which final orders of Government have been passed, find a place as the majority of the members prayed that they might be resubmitted for reconsideration of the Government Order already passed thereon.

At the close of the meeting, on behalf of the members present, Mr. M. C. Rangaiengar, B.A., Advocate in Mysore, and a member of the Representative Assembly, spoke in Kanarese, the purport of which is as follows:—

"When at the last session of the Representative Assembly, it was announced by the Dewan that a set of rules would be framed for the regulation of the discussion at the Representative Assembly and the selection of subjects, with a view to enhance the usefulness of this time-honored institution, we entertained serious misgivings as to the nature and scope of such rules. We even thought that those new rules would result in the serious curtailment of our rights as representatives of the people of Mysore. When, indeed, the rules were issued laying down that a preliminary meeting of the Representative Members of each district with the Deputy Commissioner as *Ex-officio* President should be held, when the subjects would be discussed with a view to eliminate such of those as seemed to be unnecessary or unsuitable to be brought forward at the Representative Assembly, we still more laboured under the impression that no patient or leisurely hearing would be given to our views and that the subjects would be summarily removed from the list. But the proceedings of yesterday and to-day have clearly shown that our fears were wholly unfounded. The President has given a very patient hearing to all that we had to say on each subject taken up for consideration, and we are thoroughly satisfied with the manner in which he has considered the claims of each subject for inclusion in the general list of subjects to be brought forward at the ensuing Representative Assembly, and the thoroughness with which the office had marked the previous references and standing orders bearing on each subject. We sincerely thank the President for the earnestness and solicitude evinced by him in the matter of carrying the Assembly with him in all that he did on the occasion, as also the local officers, Assistant Commissioners and Amildars for their presence and cordial co-operation, and in conclusion we respectfully beg him to convey our respectful and grateful thanks to Government for framing the rules for regulating the conduct of the Assembly which afforded us such an excellent opportunity to represent leisurely and fully our wants and grievances to the Head of the District and to the local officers in whose hands the redress to a large number of grievances lies. He further said that, in his opinion, instead of one meeting, if two such meetings were held in a year, the people and the authorities would be brought closer together, their wants and wishes readily heard and discussed and remedies applied then and there."

(3) Letter No. 119, dated 4th September 1907, from the Deputy Commissioner, Hassan District, stating that the rules framed were well received by the members, that the new procedure has, while minimising the number of subjects to be finally sent up for discussion at the Assembly, given an opportunity to the District Officers, and the Representatives to come into closer contact with one another and that the arrangement has been attended with advantages both to the Representatives and to the District Officers.

(4) Letter No. 182, dated 18th September 1907, from the Deputy Commissioner, Tumkur District, stating that the rules were received well by the members.

(5) Letter No. 149, dated 23rd September 1907, from the Deputy Commissioner, Kadur District, stating that the members quite appreciated the expediency of the procedure adopted, under the revised rules.

(6) Letter No. 1866-106, dated 28th September 1907, from the Deputy Commissioner, Kolar District, stating that excepting the limitation referred to in para 8 of the Government Proceedings, of not more than one member for each district speaking on a general subject, being somewhat misunderstood, the rules seem to be fairly workable.

(7) Letter No. 166-92, dated 28th September 1907, from the Deputy Commissioner, Shimoga District, stating that the members fully appreciated the usefulness of the provisional rules prescribed by Government.

(8) Letter No. 166, dated the 29th September 1907, from the Deputy Commissioner, Chitaldrug District, stating that the members expressed the opinion that the rules facilitated the early disposal of subjects and gave time for the discussion of important matters, etc.

(9) Letter No. 153, dated the 2nd October 1907, from the Deputy Commissioner, Bangalore District, stating that the new rules were received favorably by the members, that the new system would work satisfactorily as it provides an opportunity to the District Officers to come into close contact with the representatives, and suggesting that para 8 of the Rules may be so amended as to allow any member other than the one chosen to speak on a general subject, to walk up to the President's table and obtain his permission to speak instead of obtaining such permission from his seat at a distance.

Report on the working of the Central Press, the *Mysore Gazette* Office, the Central Jail Press, the Branch Press at Mysore and the office of the Registrar of Authorized Publications in Mysore, for the year 1906-07, received with the Press Superintendent's letter No. 180, dated the 14th August 1907.

No. G. 2794—G. P. 13-07-3, DATED BANGALORE, 30TH OCTOBER 1907.

ORDER THEREON.—Recorded.

2. The report is the second submitted by Mr. Yates, the Superintendent of the Press. The subjoined statement shows the expenditure and the out-turn of work at the Central Press during the year under review and in the previous year :—

Expenditure.—	1905-06 Rs.	1906-07 Rs.	Percentage of increase.
Total cost of Bangalore Press ...	94,706	92,470	
Deduct cost of new plant ...	17,535	14,246	
Balance	77,171	78,224	1·3
Cost of establishment including overtime charges	62,251	66,237	5·7
Out-turn of work.—	No.	No.	
Pages composed	27,550	37,826	37
Impressions ...	8,462,471	13,096,968	55
Books bound	686,298	775,503	13

From the above statement it will be seen that while there has been a very great increase in the out-turn of work, the increase in the expenditure has been comparatively small. The Government desire to place on record their appreciation of Mr. Yates' successful efforts in the direction of increased efficiency combined with economy.

3. It is satisfactory to note that the health of the men working in the Press has greatly benefited by the improvements effected in the building.

4. With the additional type, plant and machinery now supplied, Government trust that the execution of work in the Press will be still more prompt and efficient.

5. The overtime work during the year has increased, due no doubt to real increase in the amount of emergent work. Careful check should be exercised over this item of expenditure; it is hoped that every effort will be made to keep the charges under this head as low as possible.

1. Government Order No. G. 1056-95—G. M. 90-05-1, dated 26th August 1905, pointing out the delay on the part of certain Heads of Departments and Deputy Commissioners of Districts, in replying to communications from Government notwithstanding repeated reminders, and requesting them to take very effective steps to avoid such delays.

2. Subsequent correspondence on the subject calling for the explanations of certain Heads of Departments for the delay that was allowed to occur in the disposal of cases referred to them by Government, and their replies thereto.

No. G. 2533-622—G. M. 90-05-31, DATED BANGALORE, 17TH OCTOBER 1907.

ORDER THEREON.—Recorded.

2. Government note that the Deputy Commissioner of Bangalore did not, in spite of repeated reminders, submit his explanation until the lapse of nearly eleven months after the issue of this office letter No. G. 975, dated 21st August 1905.

3. It is observed that in the majority of cases the only explanation given is that there has been a delay on the part of subordinate officers, which, as already remarked in the Government Order read above, is alike indefinite and insufficient. In one special instance it is reported by the Deputy Commissioner of Tumkur (in his letter No. 259, dated 7th September 1905), that no action was taken on a reference made in August 1897, until the receipt of a reminder in July 1904. It is hoped that there will be no occasion for such inordinate delays in future.

Letter No. 69, dated 10th August 1907, from the Deputy Commissioner, Kadur District, requesting the transfer of the Inam land endowed to the Sangameswarachowdi temple in the Chikmagalur Taluk to the Ganapati temple at Sangameswara.

Unofficial memo No. 1, dated 28th August 1907, from the Superintendent of Inam Settlements in Mysore, furnishing his opinion on the subject.

No. 1952-5, DATED BANGALORE, 14TH OCTOBER 1907.

ORDER THEREON.—During his inspection of the Muzrai institutions at Sangameswarapet about 6 miles from Kanati near Khandya, it was represented to the Muzrai Secretary that the Inam lands endowed to the Ganapati temple at Sangameswarapet, Chikmagalur Taluk, were transferred to the Bhoota temple some years ago, and the residents of the village prayed that the lands be restored to the former temple. The Deputy Commissioner of the Kadur District, who was thereupon requested to report on the subject, states in his letter read above, that no Inam lands were ever endowed to the Ganapati temple in question, that the people of the place pray that as the Bhoota or Chowdi temple at Sangameswarapet is in ruins, the marginally noted Inam lands endowed to it may be transferred to the Ganapati temple, and that the present enjoyer of the land has no objection to relinquish the land ; and he accordingly recommends that orders may be issued to transfer the Inam land to the Ganapati temple. The Superintendent of Inam Settlements has no objection to the proposed transfer.

2. Letter No. 142—22, dated 6th September 1907, from the Deputy Commissioner of the Shimoga District, submitting for sanction a statement showing the redistribution of Rs. 10 provided under the head "Extraordinary charges" for Panchamrita Abhisheka on twelve occasions in the scale of expenditure together with bills amounting to Rs. 5 for the expenses incurred on account of the Panchamrita Abhisheka on Makara Sankramana day and in Dhanurmasa in the year (Visvavasu 1905-06), in the temple.

No. 1956-7 DATED BANGALORE, 14TH OCTOBER 1907.

ORDER THEREON.—In para 2 of Government Proceedings read above, the scale of expenditure to be incurred in the Sri Anjaneyaswami temple at Shimoga was sanctioned. In the scale a lump sum of Rs. 10 was put down under the head "Extraordinary charges" for Panchamrita Abhisheka on twelve occasions. The Deputy Commissioner reports that no provision was made in the scale for special services to be rendered during the Dhanurmasa month, and solicits sanction for the redistribution of Rs. 10 as shown below. He also submits for sanction two bills amounting to Rs. 5 incurred for certain services in the temple:—

	Rs.	a.	p.

Memorial Registered No. 658—1203, dated 14th September 1904, addressed to His Highness the Maharaja by one Subbaraya and certain other residents of Begur in the Channarayapatna Taluk, praying that the Siva temple near the tank at Begur, which was repaired and endowed by one Subba Rao, since deceased, may be taken over under Government management.

Correspondence ending with letter No. 859—5, dated 29th June 1907, from the Deputy Commissioner, Hassan District, reporting on the above.

Letter No. 28, dated 19th August 1907, from the Government Advocate in Mysore, furnishing his opinion on the subject.

No. 1958-60, DATED BANGALORE, 14TH OCTOBER 1907.

ORDER THEREON.—One Subbaraya and certain other residents of Begur in the Channarayapatna Taluk pray in their memorial read above, that the Siva temple at Begur may be taken over under Government management. The Deputy Commissioner of the Hassan District, who was requested to report on the matter, states that one Subba Rao, son of Nilakantaiya, restored to a satisfactory condition, the long-neglected and dilapidated temple of Gadde Rameswaradevaru at Begur, and with a view to revive "Puje" therein, endowed the two Brahmadaya Inam lands Survey Nos. 23—1 and 199 of the village, belonging to him, for the benefit of the

temple; that some of the charitably disposed villagers have also endowed certain lands in favor of the temple, besides a puduvat fund of Rs. 25 contributed by one Begur Ramadasappa and also thirty cocoanut trees in different gardens of the village, together with certain ornaments offered by devotees to the temple; and that one Archak Ramakrishnavadhani, a native of Iswarahalli village in the Chikmagalur Taluk, has been conducting "Puje" for the past nearly two years. He further reports that the said Subba Rao, in his latter days, was desirous of handing over the management of the temple to Government, but that he died some $2\frac{1}{2}$ years ago, and that the donor's widow and two daughters, who are his only representatives, are also willing that Government should take up the management thereof. In these circumstances, he recommends the temple being taken over under Government management, and adds that there was some confusion in the mutation of the khate of Survey Nos. 24 (referred to above) and 23—1 of Begur village and that one of the parties, *viz.*, Tammaiya, having failed to appear during the enquiry though notice was served upon him, the General Assistant Commissioner, Hassan, passed orders *ex parte*, transferring the khate of Survey No. 23—1 to Subbaraya, and that no appeal was preferred to his office against that order within the time allowed. The Government Advocate in Mysore, who was consulted in the matter, is also of opinion that the Muzrai Department may take over the management of the temple.

2. Under the foregoing circumstances, the Government are pleased to direct that the Siva temple at Begur and its properties, including the lands endowed to it by private parties, be taken over by Government and managed by the Taluk Amildar. Needful arrangements should be made for the regular conduct of services and the fact reported to this office.

Letter No. 24, dated 6th August 1907, from the Superintendent of Inam Settlements in Mysore, forwarding a copy of the Inam Register pertaining to the above grant and stating that the grant has not ceased.

ALSO—

Letter No. 1328—M. 49, dated 5th September 1907, from the Comptroller to Government, stating that the amount has not been drawn and disbursed.

No. 1961-4, DATED BANGALORE, 14TH OCTOBER 1907.

ORDER THEREON.—From the correspondence read above, it is observed that a monthly allowance of Rs. 1-9-0 or Rs. 18-12-0 per annum was being paid to one Karnik Nallappa of Tumkur for the performance of worship of Sri Narasimhaswami in the chattram built by his forefathers below the Amani Tank of Tumkur, that the building was broken into by thieves during the famine of 1877 under the impression that there might be hidden treasure in the place, and that as the idol was broken and no puja performed, the allowance was stopped from January 1879. The payment of the allowance was, however, promised by Government in docket No. 6813—231, dated

10th September 1890, addressed to the Deputy Commissioner, Tumkur District, from the date on which the Deputy Commissioner reported that the idol was consecrated and worshipped. The Deputy Commissioner now submits for orders petition presented by Karnik Nallappa, the manager of the temple, praying that the allowance of Rs. 18-12-0 per annum due to the temple may be paid to him as the idol in the temple was consecrated on the 6th May 1906 and worship renewed therein. From the extract of the Inam Register, it is observed that the annual cash grant in question has not been resumed to Government.

2. Under these circumstances, the Government are pleased to direct the payment of the annual cash grant of Rs. 18-12-0 per annum to the manager, Karnik Nallappa, on account of the worship of Sri Narasimhaswami in the chattram, as recommended by the Deputy Commissioner, with effect from the 6th May 1906, the date on which worship was renewed.

PUBLIC WORKS

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

(1) Government Proceedings No. 706-11—P. W. 3950-5 of the 11th July 1902, conveying sanction to consolidated estimates for laying out the Malleswaram and Basavangudi Extensions of the Bangalore City.

(2) Note dated 18th April 1905, by the Public Works Secretary, submitting revised estimates for both these extensions.

(3) The following Note by the Public Works Secretary, dated 30th August 1907, submitting for sanction, revised estimates for the Malleswaram Extension of the Bangalore City.

"For reasons given in my Note dated the 18th April 1905, I submitted to the late Dewan revised estimates for the Malleswaram and Basavangudi Extensions of the Bangalore City; and in his orders dated the 14th January 1906, he called for further information as to (1) why drains had not been provided in some places where houses had been built such as that of Mr. Nanjundayya in the Malleswaram Extension, although drains were being constructed in other places where houses had not yet sprung up, and (2) what was intended to be done in connection with the water-supply; and particularly wished that all that is reasonably required for both the extensions might be provided and the estimates made as comprehensive and full as circumstances would admit. Mr. Bhore who then assumed charge of the Sanitary Division was accordingly asked to report in detail on the points raised by Sir P. N. Krishnamurti and to recast the estimates as per his orders.

2. I now submit for sanction the modified estimates for the Malleswaram Extension as finally revised by Mr, Bhore. Captain N. B. E. Dawes, R. E., Deputy Chief Engineer, inspected the extension with Mr. Bhore and as a result put forward certain proposals. These are embodied in his Note dated 8th December 1906, and the same having met with my approval the revised estimates were ordered to be modified on the lines therein laid down. The result is that the total of the estimates as now revised for this extension amounts to Rs. 3,97,544, or Rs. 97,308 more than the sums previously sanctioned. The distribution of this amount by main heads as compared with the revised estimate previously prepared by Mr. Sundaram Iyer and as now modified by Mr. Bhore is given below:—

(2) P. W. Secretary's No. 760—4055, dated 11th July 1904 ...	... 2,550
(3) P. W. Secretary's No. 1386—7709, dated 24th December 1904	... 12,800
	65,250

3. The necessary explanations for modifications of the original sanctioned items, and fo additional provisions, etc., made on items 1 to 8 above are given in the comparative statemer and the reports attached to the estimates. The reduction under "Laying out roads etc." (Iter No. 1) is due to the omission of the provision for some of the roads in portions proposed t be abandoned as unsuitable for building purposes

In regard to item 12 above, a separate estimate amounting to Rs. 78,500 is submitted i which provision is made for the required sewage and storm water drains throughout the are occupied by bungalows and for sites on which bungalows will eventually be built as show on the plans, also for similar drains for the Mahomedan Block, for neither of which provisio had been made in the estimates (Rs. 65,250) previously sanctioned by Government. Thes works are absolutely necessary as we must eventually complete the drains for the whole are to be occupied by houses; but at present we will only construct these drains on such areas a are actually built upon. It is proposed to construct drains in that portion of the area in whic Mr. Nanjundayya's house and other houses in the same locality are situated out of the curren year's allotment of Rs. 20,000 for the Malleswaram Extension.

Under item 10, "Water-supply," the original provision was Rs 20,203 which provide for water-supply to such areas as were to be immediately occupied; subsequently a further ex penditure of Rs. 8,937 was incurred on account of water-supply to additional areas; and further sum of Rs. 12,944 is required by Mr. Rangaswami Iyengar for further extensions no occupied by houses; his memo dated 16th February 1906 gives an idea of what has alread been done in this respect.

4. It will thus be seen that although the estimates now submitted for sanction are calle "Revised estimates" they are not so in reality: but are supplemental estimates for practicall nothing else than to carry out the requisite drainage and to provide for the necessary wate supply for areas on which houses are either already built or are likely to be built upon withi a reasonable time, and for which no estimates were ever previously submitted or sanctione The total outlay on this work up to end of last official year is Rs. 2,62,905 as noted in para above; and the remaining works provided for will be gradually undertaken as funds becom available on approved annual programmes.

5. The modified revised estimates for the Basavangudi Extension will be submitted i due course."

No. 977-81—7163-7, DATED BANGALORE, 5TH OCTOBER 1907.

ORDER THEREON.—The revised estimates for laying out roads and constructin drains in the Malleswaram Extension of the Bangalore City submitted with the las of the Note read above are sanctioned for Rs. 3,97,544.
